STAT

James Alexander Hamilton, M.D.

Dear Dr. Hamilton:

Thank you very much for your letter of 28 April 1949. You pose an interesting problem and whether or not it can be worked out, I am not sure. At any rate, I shall bring it to the attention of those authorities, particularly the Air Force, who may be interested in it as well as ourselves.

Thank you again for your continued interest in this organization.

Sincerely,
